

The South Dorchester High School Chorus, Directed by Melissa Wise Slacum, November 7, 2018

Under the direction of Melissa Wise Slacum, the Cambridge-South Dorchester Chorus entertained the audience with choral works performed by the entire group and special numbers sung by small ensembles.

The Chorus inspired the gathering with numbers such as "God Bless America," "Let There be Peace on Earth," and "Like an Eagle."

The South Dorchester Folk Museum (SDFM), in cooperation with the Dorchester County Historical Society, presents this FREE program in its lecture series about local history. Video DVDs of the lectures are available for purchase from our website: www.sdfmuseum.net or call 410-228-6175.
