

DVD Number 66

Trade Bills — Revealing Dorchester History, Claude Gootee, 1 August 2007

Claude Gootee was an editor for many years for the *Daily Banner*, a Dorchester County newspaper located in Cambridge, MD. In that capacity, he had access to a huge collection of old papers and documents. He assembled many of these for display at his talk in order to give us a cross-section view of the many businesses that were in the County years ago.
