Old Trinity - Then and Now, by Rev. Robert Gribbon, 2 September 2009

Listen to the history of Old Trinity from 1692 until now - landmark of Church Creek. This quiet, hallowed spot has been a place of prayer and meditation for over 300 years. Great names, common neighbors, and honored veterans of every American War lie buried in its active cemetery. The church building is an architectural gem, perfectly restored to its colonial form and in active use. It is said to be one of, if not the oldest Church in continuing use in the original English colonies. Rev. Robert Gribbon tells the story of this historic landmark and center of the community since 1692 and continuing today.
